

I-install ang Therap Mobile App sa mga Android Device

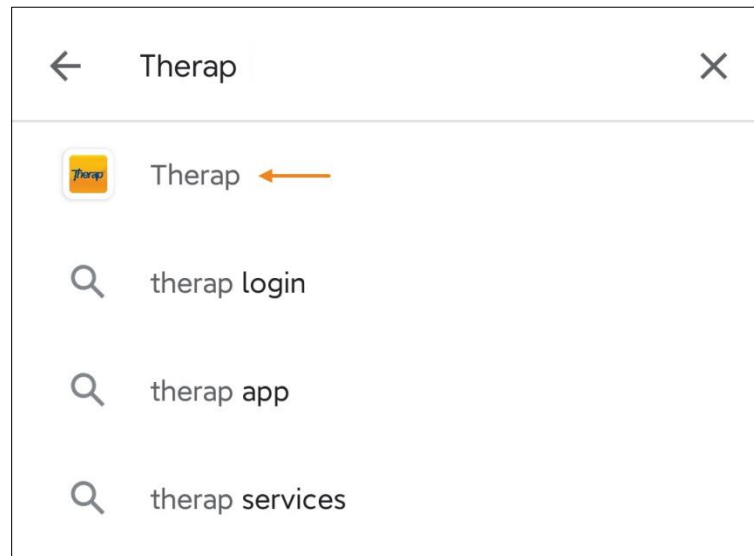

1. I-click ang app na **Play Store** sa app drawer o home screen ng iyong Android device.

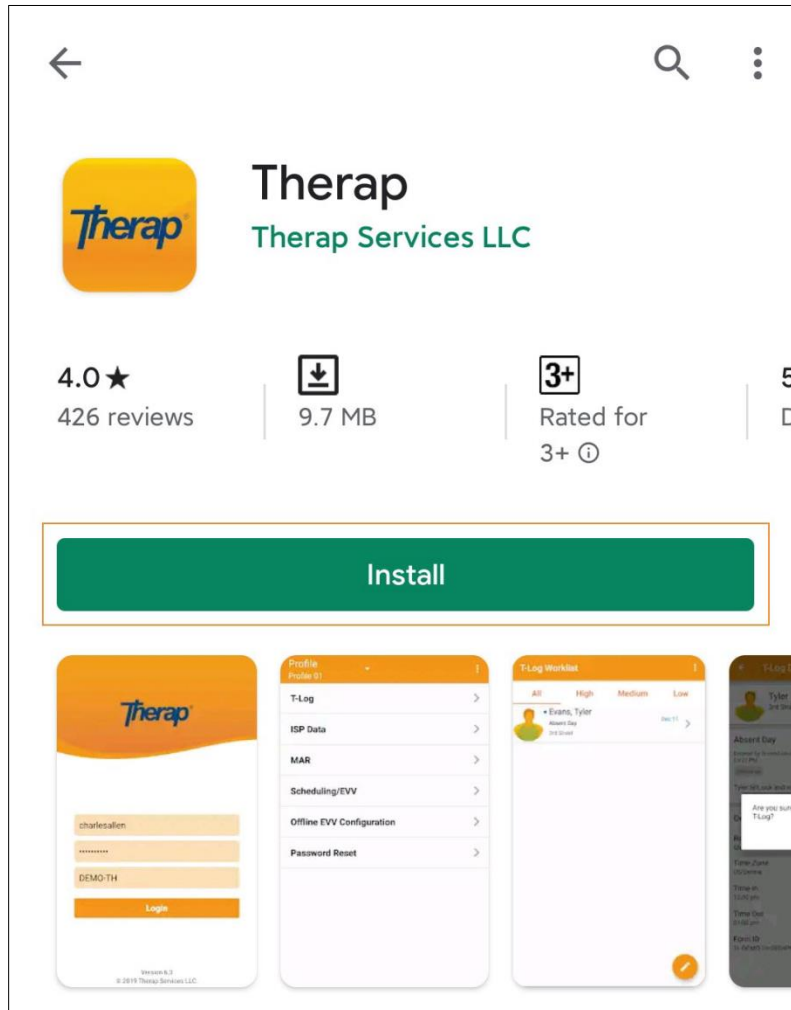

2. Kapag nagbukas na ang application, pumunta sa puwang ng search na nasa pinakataas ng screen.

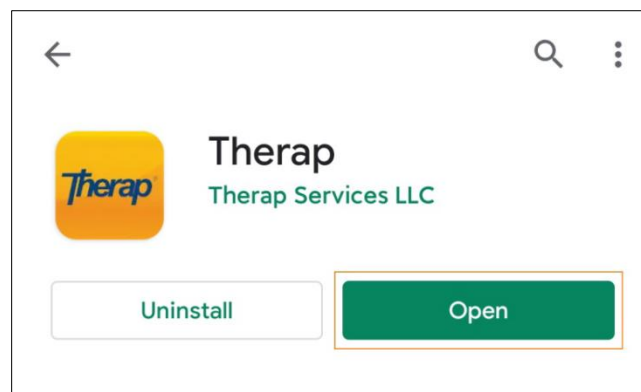

3. Ilagay ang 'Therap' sa Maghanap sa puwang ng maghanap ng mga app at games, at piliin ang Therap app mula sa mga resulta ng paghahanap.

4. Sa page ng Therap app, i-click ang button na **I-install (Install)**.

5. Kapag naka-install na ang app, i-click ang button na **Buksan (Open)**.

6. Bubukas ang Therap mobile app, at kailangan mong ilagay ang iyong Pangalan ng Login (Login Name), Password (Password), at Code ng Provider (Provider Code) para mag-log in.

The screenshot shows the login interface of the Therap mobile app. At the top, the 'Therap' logo is displayed in blue on an orange background. Below the logo, there are three light orange input fields. The first field contains the text 'janderson'. The second field contains a masked password represented by seven dots. The third field contains the text 'DEMO'. Below these input fields is a solid orange button with the word 'Login' written in white text.

7. Magagawa mong buksan ang app gamit ang icon ng Therap app na lilitaw sa home screen at app drawer ng iyong device.
